To Whom it May Concern,

Hotel Imperiale Oswiecem is a beautiful, modern and tasteful hotel. The atmosphere is relaxing and enjoyable, yet sensitive to its geographic location.

After many years of staying in tens of hotels throughout Poland, Imperiale is by far the easiest and most pleasant hotel for me to work with. The hotel assigns one staff member to be my liaison for all of my groups. My liaison genuinely caters to all of my groups' needs. The hotel also assists in availing Jewish groups of their own kitchen, where they can prepare their kosher food.

Imperiale's service with a smile is impeccable and heartwarming. I will wholeheartedly recommend this hotel to all groups, be they students or adults.

Please feel free to email me with any questions you may have. My email address is [dabrahamovitz@gmail.com](mailto:dabrahamovitz@gmail.com).

Sincerely,  
David
